

Zhou Li Appointed to Deputy Director of Belt and Road Working Committee under CUICC

In May 2021, Ms. Zhou Li was officially appointed to Deputy Director of Belt and Road Working Committee under the All-China Federation of Industry & Commerce Chamber of Urban Infrastructure. The main responsibilities of this position are to participate in relevant research on Belt and Road international cooperation; in policy implementation, strategic planning and major cooperation networking; and in foreign cooperation, talent training, communication and publicity. This appointment recognized Ms Zhou Li's efforts and contribution to the Belt and Road international cooperation. It also implied an expectation of realizing a high-quality, high-standard and high-level development.

Founded in 2007, the China Urban Infrastructure Chamber of Commerce (CUICC) is a legal national level association registered with the Ministry of Civil Affairs under the direct leadership of the All-China Federation of Industry & Commerce. It is a national social organization serving Chinese urban infrastructure sector and related upstream and downstream fields. It is also a bridge between the

government and the urban infrastructure sector, and inside the infrastructure sector.

The Chamber of Commerce has gathered a number of well-known domestic private enterprises, such as Vanke Group, Tianjin Datong Group, DESEA Investment Holding Group, B-Energy Holding Group, RWY Security Service Group, Tianhuan Construction Group, HNAC Technology, Shandong Keda group, Minsheng Energy Group, Hebei Construction, ISSTECH, etc. The members mainly focus on infrastructure industry and upstream and downstream related industries, mainly covering three categories: traditional infrastructure, municipal public utilities and urban supporting facilities. Their businesses cover the whole industrial chain of urban infrastructure planning, consulting, design, investment and development, construction, operation management and third-party intermediary services.
